

## Experience Mali

### 1-day Dogon Country by car

*On this one-day trip we take you on the road less traveled, to some of the beautiful villages in the West of Dogon Country*

#### **Balaji Baboye - Nando - Nyogono - Deguembère**

Pick-up from your accommodation in Sévaré by your guide & driver. Leave the asphalt road at Somadougou and travel into a hardly known part of Dogon Country. Visit the roadside village of Balaji Baboye to get a first impression of village life.

Continue to Nando. Visit the village. Highlight is it's stunningly beautiful mosque with organic forms.

Nyogono - a village located on hills is the next stop.

Enjoy a picnic lunch on the foot of the hill before climbing up the hill to visit the village.

A little detour leads to Deguembère, the village where El Hadj Oumar Tall disappeared in a cave on 12

February 1864. Up till today the cave is a pilgrimage place for his descendants. Visit to the cave and the mosque on the hill. Continue to Bandiagara, where you

are dropped off at an accommodation of your choice. Alternatively travel back to Sévaré.

*The circuit can also be done in reversed order, starting in Bandiagara.*
