5-day hike Dogon Country

Northern circuit

Experience Dogon Country by walking a northern circuit, including stunning views, ancient Tellem cliff houses, beautiful Togunas, insights in daily life of the Dogon people, and the three Youga's. Be aware that hiking the three Youga's demands for a good shape!

Day 1: Sévaré - Songo - Bandiagara - Sanga - Banani - Ibi

Meet your guide in Sévaré, travel by private transport to Songo known for its rockwall paintings. Continue - via Bandiagara - to Sanga, from where your trekking starts after lunch. Visit Sanga, Banani and Ibi the afternoon.

Day 2: Ibi - Koundou - Koundou Na - Koundou

In the morning you hike from Ibi to Koundou. Visit Koundou and enjoy lunch. Hike up the cliff to Koundou Na. Enjoy stunning views and be surprised by the huge onion gardens. Visit a Tellem cave.

Day 3: Koundou - Youga Na - Youga Dougourou - Youga Piri

Today's hike takes you to the 3 Youga's situated on an isolated cliff. After the hike up to Youga Na you deserve a decent lunch break. The afternoon offers an incredible hike. Challenging at times you are rewarded with stunning views and visits to sites not to be experienced elsewhere in Dogon Country. Enjoy sunset and sunrise overlooking the plain.

Day 4: Youga Piri - Koundou - Tiogou - Sanga

Descend from Youga Piri to Koundou and continue to Tiogou. After lunch a 16k hike leads to Sanga where the night will be spent.

Day 5: Sanga - Daga - Sévaré

Visit Sanga in the morning before hiking to Daga, where the hike through Dogon Country comes to an end. After lunch the car comes to pick you up for the journey back to Sévaré (a drop-off in Bankass is possible - additional charges apply).

Enjoy Dogon Country!
