

Discover Manding country Siby, surroundings & falls

Welcome to Manding country, a place of history and a warm welcome in the Southwest of Mali. This day-trip is dedicated to exploring the village of Siby and its surroundings.

Bamako - Siby - Bamako

07:30am pick-up from the accommodation for the road-trip to Siby, where the local guide joins us. Our first visit is to Djéliba. From the village we hike up the mountain to see the ancient rock-drawings. A visit is made to Tabou's sacred well, before we are dropped-off in Kalasa. From here we climb the hill for a visit to the Arc of Kamadjan, where the guide shares stories about the history of the region. We visit the consultation cave. In the meantime the driver has made his way up to the Arc and by car we continue to the Djendjeni falls. We eat lunch at the falls, where we can also go for a refreshing swim. Around 3pm we travel back to Siby for a visit to the village, followed by departure for Bamako. Late afternoon drop-off at our accommodation.

Be welcome in Manding country!
